

Curriculum Vitae: Dr Jeffrey Ketland

September 11, 2026

1 Personal Information

Date of Birth	March 20, 1964 (Birmingham, UK).
Family	Blanca Frías Fuentes (married 1996). Samuel Ketland (son, born Oct 16, 2009).
Nationality	United Kingdom.
Email	jeffreyketland@gmail.com

2 Education

1999	London School of Economics	PhD in Logic & Philosophy. LSE Robert McKenzie Prize.
1992	University of Warwick	MA in Philosophy.
1986	University of Cambridge, Trinity College	Certificate of Advanced Study in Mathematics (Part III Mathematics).
1985	University of Cambridge, Trinity College	BA Physics & Theoretical Physics (Class I). Tripos Prize. Mathison Physics Prize. Senior Scholarship (Trinity College).

3 Academic Positions

2025–present	Retired.	
2019–2025	Faculty of Philosophy, University of Warsaw	Research Professor in Philosophy.
2012–16.	Pembroke College, Oxford	Fellow in Philosophy.
2012–16.	University of Oxford	Associate Professor in Philosophy.
2011–12.	Munich Center for Mathematical Philosophy, Ludwig-Maximilians-Universität, Munich	Assistant Professor in Mathematical Philosophy.
2007–11.	Dept of Philosophy, University of Edinburgh	Senior Lecturer.
2004–07.	Dept of Philosophy, University of Edinburgh	Lecturer.
2003–04.	Faculty of Philosophy, University of Cambridge	Temporary Lecturer.
2002–03.	Dept of Philosophy, University of Leeds	Temporary Lecturer.
2001–02.	Dept of Philosophy, King's College London	Jacobsen Fellow.
2000–01.	Dept of Philosophy, University of Nottingham	Lecturer.

1998–99.	Dept of Logic, Philosophy & Sci. Method, LSE	Temporary Lecturer
1995–98.	Dept of Logic, Philosophy & Sci. Method, LSE	Tutorial Assistant.
1995–97.	Dept of Maths & Science, Richmond College, London	Assistant Lecturer.
1995.	Faculty of Philosophy, University of Oxford	Tutorial Assistant.
1991.	Dept of Philosophy, University of Warwick	Tutorial Assistant.

4 Research Interests

Specialization	Philosophy of Science. Logic. Philosophy of Mathematics.
Competence	Philosophy of Language. Epistemology & Metaphysics.

5 Additional Skills

Programming	R; Matlab; C++; Python; Machine learning.
Mathematics	Differential equations; algebra; geometry; probability; statistics.
Theoretical physics	Relativity; quantum theory.

7 Funded Research Projects

	Years	Title	Funding source
(2)	2021–2025	Mathematicized scientific theories and the foundations of applied mathematics.	National Science Center (NCN), Kraków, Poland: Grant 2020/39/B/HS1/02020.
(1)	2019–2021	Model-theoretic methods in logic and the foundations of mathematics and science.	National Science Center (NCN), Kraków, Poland: Grant 2018/29/B/HS1/01832.

8 Teaching Experience

8.1 Undergraduate and Masters: Lecture & Seminar Courses

Warsaw: 2019–2021	Topics in the Philosophy of Science (seminar course). Philosophy of Science: An Overview (seminar course).
Oxford: 2012–2016	Elements of Deductive Logic (1st year course). Philosophy of Mathematics (2nd/3rd year course). Tutorials: Logic. Tutorials: General Philosophy. Tutorials: Knowledge & Reality. Tutorials: Philosophy of Mathematics. Tutorials: Philosophy of Science. Tutorials: Philosophy of Logic & Language Tutorials: Frege, Russell & Wittgenstein Tutorials: The Rise of Modern Logic.
LMU: 2011–12	Logic 2. Mathematical Methods in Philosophy (Magister). Logic 1 (tutorials). Theories of Truth.
Edinburgh: 2004–10	Knowledge & Reality (Pre-Honours). Logic 1 (Pre-Honours). Philosophy of Science 1 (Pre-Honours). Theories of Truth (Honours). Philosophy of Mathematics (Honours). Mathematical Logic (Honours). Formal Logic (Honours). MSc Logic & Language 1 Mathematical Methods in Philosophy (PhD).
Cambridge: 2003–04	Arithmetic & Gödel's Incompleteness Theorems (lectures). First & Second Order Logic (lectures). Logicism (lectures). Non-Classical Logic (lectures). Theories (lectures). Predicate Logic (tutorials).

Leeds: 2002–03	Introduction to Epistemology (1st yr course). Progress and Revolutions (2nd/3rd yr course). Theories and Observations (2nd/3rd yr course). Realism and Metaphysics of Science (2nd/3rd yr course). Issues in Philosophy of Science (MA course).
KCL 2001–02	Graduate Research Seminar: Theories of Truth.
Nottingham: 2000–01	Descartes, Body and Mind (1st yr course). Philosophy of Mind (2nd/3rd yr course). Theories of Truth (2nd/3rd yr course). Epistemology (MA course).
LSE: 1996–99	Logic (1st yr course). Frege & Russell (tutorials). MSc Phil Mathematics. MSc Philosophical Logic & Metaphysics. MSc Mathematical Logic. PhD Pro-Seminar.
Richmond Coll: 1995–97	History & Philosophy of Science. Fundamentals of Mathematics. Precalculus. The Art of Mathematics.
Oxford: 1995	Foundations of Physics (tutorials).
Warwick: 1991	Philosophy of Logic (tutorials).

8.2 Teaching Experience: Graduate Supervision

Oxford	Three BPhil students.
MCMP	Two PhD students.
Edinburgh	One PhD student; three MSc by Research students.
Nottingham	One PhD student; two MA by research degrees
LSE	One PhD student; one 2-year MPhil student.

In addition, many MSc/MA dissertations and undergraduate dissertations at LSE, Nottingham, Leeds, Cambridge and Edinburgh.

9 University Administration

Oxford 2012–16.	Examiner (Faculty Prelims): Degree in Philosophy & Mathematics. Examiner (Faculty Prelims): Degree in Philosophy & Physics. Examiner (Faculty Prelims): Degree in Philosophy & Computer Science. Member of Governing Body (Pembroke). Member of Academic Committee (Pembroke). Organizing Tutor (Pembroke): Tutorials and Collections.
-----------------	---

- Edinburgh 2004–10. Director of Quality, Assurance and Enhancement, School of Philosophy, Psychology & Language Sciences (2005–09).
 Organizer of Reforms of Philosophy Pre-Honours Programme (2008–09)
 Convenor of School QEA Committee (2005–09)
 Examinations Convenor (Pre-Honours) (2009–2010)
 Philosophy Postgraduate Director: MSc Programme (2005–06)
 Representative on College of Humanities & Social Sciences QAE Committee (2005–09)
 Representative on School Undergraduate Studies Committee (2005–09)
 Convenor of Philosophy Staff-Student Liaison Committee (2008–10)
 Director of Studies (2006–10)
- Edinburgh 2004–10. Course Organizer (Pre-Honours): Logic 1 (2004–06)
 Course Organizer (Pre-Honours): Philosophy of Science 1 (2004–06)
 Course Organizer (Pre-Honours): Philosophy 2A (2008–09)
 Course Organizer (Honours): Formal Logic (2005–06)
 Course Organizer (Honours): Mathematical Logic (2007–10)
 Course Organizer (Honours): Theories of Truth (2008–10)
 Course Organizer (Honours): Philosophy of Mathematics (2008–10).
 Organizer of Omega Seminar/Logic & Language Seminar (2005–2010).
 Convenor of Prizes Committee (2008–2010)
 Organizer of Graduation Party (2009)
 Workload Committee (2009–10)

Other: 1998–2008 External Examiner, London School of Economics (2005–08). Tutor (LSE); Tutor, library officer & seminar organiser (Nottingham).

10 Professional Activities

10.1 Refereeing: Journals

I have refereed for the following journals:

Mind, *British Journal for the Philosophy of Science*, *Analysis*, *Erkenntnis*, *Philosophy of Science*, *Journal of Philosophical Logic*, *Philosophical Quarterly*, *Notre Dame Journal of Formal Logic*, *American Philosophical Quarterly*, *Philosophia Mathematica*, *Studia Logica*, *Erkenntnis*, *Synthese*, *Studies in the History and Philosophy of Science*, *Review of Symbolic Logic*.

10.2 Refereeing: Publishers

I have refereed for the following publishers:

Oxford University Press, Cambridge University Press, Routledge, Acumen.

10.3 Editing/Committees

1. Treasurer of British Society for the Philosophy of Science (2000–02).
2. Member of Analysis Committee (2000–16).
3. Associate Editor of *Studia Logica* (2007–18).
4. Member of British Logic Colloquium (2000–present).
5. Assistant Editor of *Mind* (1998–2000).

10.4 Conference/Workshop Organization

1. Member of Scientific Organizing Committee for International Symposium PILM, Philosophical Insights into Logic and Mathematics, 2002: Non-Classical Semantics and Syntax 30 Sept - 4 Oct 2002, NANCY France.
2. Organiser of a 2-day international conference, Truth and Proof: Kurt Gödel and the Foundations of Mathematics, held in Edinburgh, March 2006.
3. Organiser of a workshop, “Realism in Mathematics, Modality and Morality”, held in Edinburgh, May 2009.
